

## Phone System Update

Palmer-Donavin is upgrading to a new phone system in mid-February. Customers will experience little to no change, but the new system will provide more reliability and new functionality. As a result of this change, we are discontinuing the use of several phone numbers customers use today.

**Effective March 1st**  
the only number that will still be operational will be  
**800.652.1234**

If you have any other number saved for Palmer-Donavin,  
we invite you to update it with the number above.
